

Sports Day 2024

Dear Families

Please find attached the Sports Day program for 2024. Sports Day is held here on site at SFOA on Friday the 20th of September.

Below are some additional notes that are important to a successful day.

Food

- All students will receive a complimentary sausage as part of a sausage sizzle. Sausages will also be available for purchase for parents from the school canteen.
- There will be special antipasto boxes available from the canteen for purchase from parents.
- A coffee van will be available throughout the day for coffee purchases for parents and adults only.

Important Times

- Sports Day will begin from 8:55am in the Piazza area. Children will sign in with their classroom teacher before meeting in the piazza for the beginning of the day
- The Sports Day concludes at 1:30pm where you are welcome to sign your children out with their class teacher. Children are also welcome to return to class with their teacher until the normal dismissal time of 3pm.

Our Sports Day serves as a day to encourage sportsmanship, teamwork and fair play. As parents our attitude towards these events should reflect that.

Looking forward to a wonderful day.

Kind Regards,

Scott March
